

Background and History

Since 1985, Camp Journey has offered a no-cost resident and day camp for children diagnosed with cancer, both on and off therapy. Camp Journey is a camp providing a community of hope for children and their families touched by cancer. Dealing with childhood cancer can cause extraordinary stress and heartache. Here, our main goal is relieving that reality. In this medically-supervised week-long camp, young cancer survivors can come to our camp to enjoy activities and leave all their worries behind. Children will be immersed in fun-filled outdoor activities; that can be tailored to fit special needs.

Camp Facts

Resident Camp

Eligibility: Ages 7 – 17

- A child diagnosed with cancer on active cancer therapy.
- A child who had bone marrow transplant (BMT) or stem cell transplantation (SCT).
- A child who has completed cancer therapy.
